## About Berger Montague

Berger Montague is a full-spectrum class action and complex civil litigation firm, with nationally known attorneys highly sought after for their legal skills. The firm has been recognized by courts throughout the country for its ability and experience in handling major complex litigation, particularly in the fields of antitrust, securities, mass torts, civil and human rights, whistleblower cases, employment, and consumer litigation. In numerous precedent-setting cases, the firm has played a principal or lead role.

The *National Law Journal*, which recognizes a select group of law firms each year that have done “exemplary, cutting-edge work on the plaintiffs’ side,” has selected Berger Montague in 12 out of the last 14 years (2003-05, 2007-13, 2015-16) for its “Hot List” of top plaintiffs’ oriented litigation firms in the United States. In 2018, the *National Law Journal* recognized Berger Montague as “Elite Trial Lawyers” in two categories: Environmental Protection and Privacy/Data Breach. The firm has also achieved the highest possible rating by its peers and opponents as reported in *Martindale-Hubbell* and was ranked as a 2019 “Best Law Firm” by *U.S. News - Best Lawyers*.

Currently, the firm consists of 67 lawyers; 23 paralegals; and an experienced support staff. Few firms in the United States have our breadth of practice and match our successful track record in such a broad array of complex litigation.

## History of the Firm

Berger Montague was founded in 1970 by the late David Berger to concentrate on the representation of plaintiffs in a series of antitrust class actions. David Berger helped pioneer the use of class actions in antitrust litigation and was instrumental in extending the use of the class action procedure to other litigation areas, including securities, employment discrimination, civil and human rights, and mass torts. The firm’s complement of nationally recognized lawyers has represented both plaintiffs and defendants in these and other areas and has recovered billions of dollars for its clients. In complex litigation, particularly in areas of class action litigation, Berger Montague has established new law and forged the path for recovery.

The firm has been involved in a series of notable cases, some of them among the most important in the last 50 years of civil litigation. For example, the firm was one of the principal counsels for

plaintiffs in the *Drexel Burnham Lambert/Michael Milken* securities and bankruptcy litigation. Claimants in these cases recovered approximately \$2 billion in the aftermath of the collapse of the junk bond market and the bankruptcy of *Drexel* in the late 1980's. The firm was also among the principal trial counsel in the *Exxon Valdez Oil Spill* litigation in Anchorage, Alaska, a trial resulting in a record jury award of \$5 billion against Exxon, later reduced by the U.S. Supreme Court to \$507.5 million. Berger Montague was lead counsel in the *School Asbestos Litigation*, in which a national class of secondary and elementary schools recovered in excess of \$200 million to defray the costs of asbestos abatement. The case was the first mass tort property damage class action certified on a national basis. Berger Montague was also lead/liaison counsel in the *Three Mile Island Litigation* arising out of a serious nuclear incident.

Additionally, in the human rights area, the firm, through its membership on the executive committee in the *Holocaust Victim Assets Litigation*, helped to achieve a \$1.25 billion settlement with the largest Swiss banks on behalf of victims of Nazi aggression whose deposits were not returned after the Second World War. The firm also played an instrumental role in bringing about a \$4.37 billion settlement with German industry and government for the use of slave and forced labor during the Holocaust.

## Practice Areas and Case Profiles

### Antitrust

In antitrust litigation, the firm has served as lead, co-lead or co-trial counsel on many of the most significant civil antitrust cases over the last 45 years, including *In re Corrugated Container Antitrust Litigation* (recovery in excess of \$366 million), the *Infant Formula* case (recovery of \$125 million), the *Brand Name Prescription Drug* price-fixing case (settlement of more than \$700 million), the *State of Connecticut Tobacco Litigation* (settlement of \$3.6 billion), the *Graphite Electrodes Antitrust Litigation* (settlement of more than \$134 million), and the *High-Fructose Corn Syrup Litigation* (\$531 million).

Once again, Berger Montague has been selected by *Chambers and Partners* for its 2019 *Chambers USA* Guide as one of Pennsylvania's top antitrust firms. *Chambers USA 2019* states that Berger Montague's antitrust practice group is "a preeminent force in the Pennsylvania antitrust market, offering expert counsel to clients from a broad range of industries."

The *Legal 500*, a guide to worldwide legal services providers, ranked Berger Montague as a Top-Tier Firm for Antitrust: Civil Litigation and Class Actions in the United States in its 2017 guide and states that Berger Montague's antitrust department "has been a key player in high-profile antitrust class actions since the firm's inception in 1970."

- ***Payment Card Interchange Fee and Merchant Discount Antitrust Litigation:*** Berger Montague served as co-lead counsel for a national class including millions of merchants in the *Payment Card Interchange Fee and Merchant Discount Antitrust Litigation* against Visa, MasterCard and several of the largest banks in the U.S. (e.g., Chase, Bank of

America and Citi). The lawsuit alleged that merchants paid excessive fees to accept Visa and MasterCard cards because the payment cards, individually and together with their respective member banks, violated the antitrust laws. The challenged conduct included, *inter alia*, the collective fixing of interchange fees and adoption of rules that hindered any competitive pressure by merchants to reduce those fees. The lawsuit further alleged that defendants maintained their conspiracy even after both Visa and MasterCard changed their corporate forms from joint ventures owned by member banks to publicly-owned corporations following commencement of this litigation. On September 18, 2018, after thirteen years of hard-fought litigation, Visa and MasterCard agreed to pay as much as approximately \$6.26 billion, but no less than approximately \$5.56 billion, to settle the case. This result is the largest-ever class action settlement of an antitrust case. The settlement received preliminary approval on January 24, 2019.

- ***In re Domestic Drywall Antitrust Litigation:*** Berger Montague served as co-lead counsel on behalf of a class of direct purchasers of drywall, in a case alleging that the dominant manufacturers of drywall engaged in a conspiracy to fix drywall prices in the U.S. and to abolish the industry's long-standing practice of limiting price increases for the duration of a construction project through "job quotes." Berger Montague represented a class of direct purchasers of drywall from defendants for the period from January 1, 2012 to January 31, 2013. USG Corporation and United States Gypsum Company (collectively, "USG"), New NGC, Inc., Lafarge North America Inc., Eagle Materials, Inc., American Gypsum Company LLC, TIN Inc. d/b/a Temple-Inland Inc., and PABCO Building Products, LLC were named as defendants in this action. On August 20, 2015, the district court granted final approval of two settlements—one with USG and the other with TIN Inc.—totaling \$44.5 million. On December 8, 2016, the district court granted final approval of a \$21.2 million settlement with Lafarge North America, Inc. On February 18, 2016, the district court denied the motions for summary judgment filed by American Gypsum Company, New NGC, Inc., Lafarge North America, Inc., and PABCO Building Products. On August 23, 2017, the district court granted direct purchaser plaintiffs' motion for class certification. On January 29, 2018, the district court granted preliminary approval of a joint settlement with the remaining defendants, New NGC, Inc., Eagle Materials, Inc., American Gypsum Company LLC, and PABCO Building Products, LLC, for \$125 million. The settlement received final approval on July 17, 2018, bringing the total amount of settlements for the class to \$190.7 million.
- ***In re Currency Conversion Fee Antitrust Litigation:*** Berger Montague, as one of two co-lead counsel, spearheaded a class action lawsuit alleging that the major credit cards had conspired to fix prices for foreign currency conversion fees imposed on credit card transactions. After eight years of litigation, a settlement of \$336 million was approved in October 2009, with a Final Judgment entered in November 2009. Following the resolution of eleven appeals, the District Court, on October 5, 2011, directed distribution of the settlement funds to more than 10 million timely filed claimants, among the largest class of claimants in an antitrust consumer class action. A subsequent settlement with American Express increased the settlement amount to \$386 million. (MDL No. 1409 (S.D.N.Y)).

- ***In re Marchbanks Truck Service Inc., et al. v. Comdata Network, Inc.:*** Berger Montague was co-lead counsel in this antitrust class action brought on behalf of a class of thousands of Independent Truck Stops. The lawsuit alleged that defendant Comdata Network, Inc. had monopolized the market for specialized Fleet Cards used by long-haul truckers. Comdata imposed anticompetitive provisions in its agreements with Independent Truck Stops that artificially inflated the fees Independents paid when accepting the Comdata's Fleet Card for payment. These contractual provisions, commonly referred to as anti-steering provisions or merchant restraints, barred Independents from taking various competitive steps that could have been used to steer fleets to rival payment cards. The settlement for \$130 million and valuable prospective relief was preliminary approved on March 17, 2014, and finally approved on July 14, 2014. In its July 14, 2014 order approving Class Counsel's fee request, entered contemporaneously with its order finally approving the settlement, the Court described this outcome as "substantial, both in absolute terms, and when assessed in light of the risks of establishing liability and damages in this case."
  
- ***Ross, et al. v. Bank of America (USA) N.A., et al.:*** Berger Montague, as lead counsel for the cardholder classes, obtained final approval of settlements reached with Chase, Bank of America, Capital One and HSBC, on claims that the defendant banks unlawfully acted in concert to require cardholders to arbitrate disputes, including debt collections, and to preclude cardholders from participating in any class actions. The case was brought for injunctive relief only. The settlements remove arbitration clauses nationwide for 3.5 years from the so-called "cardholder agreements" for over 100 million credit card holders. This victory for consumers and small businesses came after nearly five years of hard-fought litigation, including obtaining a decision by the Court of Appeals reversing the order dismissing the case, and will aid consumers and small businesses in their ability to resist unfair and abusive credit card practices. In June 2009, the National Arbitration Forum (or "NAF") was added as a defendant. Berger Montague also reached a settlement with NAF. Under that agreement, NAF ceased administering arbitration proceedings involving business cards for a period of three and one-half (3.5) years, which relief is in addition to the requirements of a Consent Judgment with the State of Minnesota, entered into by the NAF on July 24, 2009.
  
- ***In re High Fructose Corn Syrup Antitrust Litigation:*** Berger Montague was one of three co-lead counsel in this nationwide class action alleging a conspiracy to allocate volumes and customers and to price-fix among five producers of high fructose corn syrup. After nine years of litigation, including four appeals, the case was settled on the eve of trial for \$531 million. (MDL No. 1087, Master File No. 95-1477 (C.D. Ill.)).
  
- ***In re Linerboard Antitrust Litigation:*** Berger Montague was one of a small group of court-appointed executive committee members who led this nationwide class action against producers of linerboard. The complaint alleged that the defendants conspired to reduce production of linerboard in order to increase the price of linerboard and corrugated

boxes made therefrom. At the close of discovery, the case was settled for more than \$200 million. (98 Civ. 5055 and 99-1341 (E.D. Pa.)).

### **Antitrust**

From **Judge Michael M. Baylson**, of the U.S. District Court of the Eastern District of Pennsylvania:

"[C]ounsel...for direct action plaintiffs have done an outstanding job here with representing the class, and I thought your briefing was always very on point. I thought the presentation of the very contentious issues on the class action motion was very well done, it was very well briefed, it was well argued."

Transcript of the June 28, 2018 Hearing in *In re Domestic Drywall Antitrust Litigation*, No. MD-13-2437 at 11:6-11.

From **Judge Madeline Cox Arleo**, of the U.S. District Court for the District of New Jersey praising the efforts of all counsel:

"I just want to thank you for an outstanding presentation. I don't say that lightly . . . it's not lost on me at all when lawyers come very, very prepared. And really, your clients should be very proud to have such fine lawyering. I don't see lawyering like this every day in the federal courts, and I am very grateful. And I appreciate the time and the effort you put in, not only to the merits, but the respect you've shown for each other, the respect you've shown for the Court, the staff, and the time constraints. And as I tell my law clerks all the time, good lawyers don't fight, good lawyers advocate. And I really appreciate that more than I can express."

Transcript of the September 9 to 11, 2015 Daubert Hearing in *Castro v. Sanofi Pasteur*, No. 11-cv-07178 (D.N.J.) at 658:14-659:4.

From **Judge William H. Pauley, III**, of the U.S. District Court of the Southern District of New York:

"Class Counsel did their work on their own with enormous attention to detail and unflagging devotion to the cause. Many of the issues in this litigation . . . were unique and issues of first impression."

\* \* \*

“Class Counsel provided extraordinarily high-quality representation. This case raised a number of unique and complex legal issues .... The law firms of Berger Montague and Coughlin Stoia were indefatigable. They represented the Class with a high degree of professionalism, and vigorously litigated every issue against some of the ablest lawyers in the antitrust defense bar.”

***In re Currency Conversion Fee Antitrust Litigation***, 263 F.R.D. 110, 129 (2009).

From **Judge Faith S. Hochberg**, of the United States District court for the District of New Jersey:

“[W]e sitting here don’t always get to see such fine lawyering, and it’s really wonderful for me both to have tough issues and smart lawyers ... I want to congratulate all of you for the really hard work you put into this, the way you presented the issues, ... On behalf of the entire federal judiciary I want to thank you for the kind of lawyering we wish everybody would do.”

***In re Remeron Antitrust Litig.***, Civ. No. 02-2007 (Nov. 2, 2005).

From U.S. District **Judge Jan DuBois**, of the U.S. District Court of the Eastern District of Pennsylvania:

“[T]he size of the settlements in absolute terms and expressed as a percentage of total damages evidence a high level of skill by petitioners ... The Court has repeatedly stated that the lawyering in the case at every stage was superb, and does so again.”

***In Re Linerboard Antitrust Litig.***, 2004 WL 1221350, at \*5-\*6 (E.D. Pa. 2004).

From **Judge Nancy G. Edmunds**, of the U.S. District Court of the Eastern District of Michigan:

“[T]his represents an excellent settlement for the Class and reflects the outstanding effort on the part of highly experienced, skilled, and hard working Class Counsel....[T]heir efforts were not only successful, but were highly organized and efficient in addressing numerous complex issues raised in this litigation[.]”

***In re Cardizem CD Antitrust Litig.***, MDL No. 1278 (E.D. Mich., Nov. 26, 2002).

From **Judge Charles P. Kocoras**, of the U.S. District Court for the Northern District of Illinois:

“The stakes were high here, with the result that most matters of consequence were contested. There were numerous trips to the courthouse, and the path to the trial court and the Court of Appeals frequently traveled. The efforts of counsel for the class has [sic] produced a substantial recovery, and it is represented that the cash settlement alone is the second largest in the history of class action litigation. . . . There is no question that the results achieved by class counsel were extraordinary [.]”

Regarding the work of Berger Montague in achieving more than \$700 million in settlements with some of the defendants in *In Re Brand Name Prescription Drugs Antitrust Litigation*, 2000 U.S. Dist. LEXIS 1734, at \*3-\*6 (N.D. Ill. Feb. 9, 2000).

From **Judge Peter J. Messitte**, of the U.S. District Court for the District of Maryland:

“The experience and ability of the attorneys I have mentioned earlier, in my view in reviewing the documents, which I have no reason to doubt, the plaintiffs’ counsel are at the top of the profession in this regard and certainly have used their expertise to craft an extremely favorable settlement for their clients, and to that extent they deserve to be rewarded.”

Settlement Approval Hearing, Oct. 28, 1994, in *Spawd, Inc. and General Generics v. Bolar Pharmaceutical Co., Inc.*, CA No. PJM-92-3624 (D. Md.).

From **Judge Donald W. Van Artsdalen**, of the U.S. District Court for the Eastern District of Pennsylvania:

“As to the quality of the work performed, although that would normally be reflected in the not immodest hourly rates of all attorneys, for which one would expect to obtain excellent quality work at all times, the results of the settlements speak for themselves. Despite the extreme uncertainties of trial, plaintiffs’ counsel were able to negotiate a cash settlement of a not insubstantial sum, and in addition, by way of equitable relief, substantial concessions by the defendants which, subject to various condition, will afford the right, at least, to lessee-dealers to obtain gasoline supply product from major oil companies and suppliers other than from their respective lessors. The additional benefits obtained for the classes by way of equitable relief would, in and of itself, justify some upward adjustment of the lodestar figure.”

*Bogosian v. Gulf Oil Corp.*, 621 F. Supp. 27, 31 (E.D. Pa. 1985).

From **Judge Krupansky**, who had been elevated to the Sixth Circuit Court of Appeals:

Finally, the court unhesitatingly concludes that the quality of the representation rendered by counsel was uniformly high. The attorneys involved in this litigation are extremely experienced and skilled in their prosecution of antitrust litigation and other complex actions. Their services have been rendered in an efficient and expeditious manner, but have nevertheless been productive of highly favorable result.

***In re Art Materials Antitrust Litigation***, 1984 CCH Trade Cases ¶65,815 (N.D. Ohio 1983).

From **Judge Joseph Blumenfeld**, of the U.S. District Court for the District of Connecticut:

“The work of the Berger firm showed a high degree of efficiency and imagination, particularly in the maintenance and management of the national class actions.”

***In re Master Key Antitrust Litigation***, 1977 U.S. Dist. LEXIS 12948, at \*35 (Nov. 4, 1977).

#### **Securities & Investor Protection**

From **Judge Jed Rakoff** of the U.S. District Court for the Southern District of New York:

Court stated that lead counsel had made “very full and well-crafted” and “excellent submissions”; that there was a “very fine job done by plaintiffs’ counsel in this case”; and that this was “surely a very good result under all the facts and circumstances.”

***In re Merrill Lynch & Co., Inc. Securities, Derivative & ERISA Litigation***, Master File No. 07-cv-9633(JSR)(DFE) (S.D.N.Y., July 27, 2009).

From **Judge Michael M. Baylson** of the U.S. District Court for the Eastern District of Pennsylvania:

“The Court is aware of and attests to the skill and efficiency of class counsel: they have been diligent in every respect, and their briefs and arguments before the Court were of the highest quality. The firm of Berger Montague took the lead in the Court proceedings; its attorneys were well prepared, articulate and persuasive.”

***In re CIGNA Corp. Sec. Litig.***, 2007 U.S. Dist. LEXIS 51089, at \*17-\*18 (E.D. Pa. July 13, 2007).

From **Judge Stewart Dalzell** of the U.S. District Court for the Eastern District of Pennsylvania:

“The quality of lawyering on both sides, but I am going to stress now on the plaintiffs’ side, simply has not been exceeded in any case, and we have had some marvelous counsel appear before us and make superb arguments, but they really don’t come any better than Mrs. Savett... [A]nd the arguments we had on the motion to dismiss [Mrs. Savett argued the motion], both sides were fabulous, but plaintiffs’ counsel were as good as they come.”

***In re U.S. Bioscience Secs. Litig.***, No. 92-0678 (E.D. Pa. April 4, 1994).

From **Judge Wayne Andersen** of the U.S. District Court for the Northern District of Illinois:

“[Y]ou have acted the way lawyers at their best ought to act. And I have had a lot of cases...in 15 years now as a judge and I cannot recall a significant case where I felt people were better represented than they are here...I would say this has been the best representation that I have seen.”

***In re: Waste Management, Inc. Secs. Litig.***, No. 97-C 7709 (N.D. Ill. 1999).

From **Chancellor William Chandler, III** of the Delaware Chancery Court:

“All I can tell you, from someone who has only been doing this for roughly 22 years, is that I have yet to see a more fiercely and intensely litigated case than this case. Never in 22 years have I seen counsel going at it, hammer and tong, like they have gone at it in this case. And I think that’s a testimony – Mr. Valihura correctly says that’s what they are supposed to do. I recognize that; that is their job, and they were doing it professionally.”

***Ginsburg v. Philadelphia Stock Exchange, Inc.***, No. 2202 (Del. Ch., Oct. 22, 2007).

From **Judge Stewart Dalzell** of the U.S. District Court for the Eastern District of Pennsylvania:

“Thanks to the nimble class counsel, this sum, which once included securities worth \$149.5 million is now all cash. Seizing on an opportunity Rite Aid presented, class counsel first renegotiated what had been stock consideration into Rite Aid Notes and then this year monetized those Notes. Thus, on February 11, 2003, Rite Aid redeemed those Notes from the class, which then received \$145,754,922.00. The class also received \$14,435,104 in interest on the Notes.”

“Co-lead counsel ... here were extraordinarily deft and efficient in handling this most complex matter... they were at least eighteen months ahead of the United States Department of Justice in ferreting out the conduct that ultimately resulted in the write down of over \$1.6 billion in previously reported Rite Aid earnings. In short, it would be hard to equal the skill class counsel demonstrated here.”

***In re Rite Aid Corp. Securities Litigation***, 269 F. Supp. 2d 603, 605, n.1, 611 (E.D. Pa. 2003).

From **Judge Helen J. Frye**, United States District Judge for the U.S. District Court for the District of Oregon:

“In order to bring about this result [partial settlements then totaling \$54.25 million], Class Counsel were required to devote an unusual amount of time and effort over more than eight years of intense legal litigation which included a four-month long jury trial and full briefing and argument of an appeal before the Ninth Circuit Court of Appeals, and which produced one of the most voluminous case files in the history of this District.”

\* \* \*

“Throughout the course of their representation, the attorneys at Berger Montague and Stoll, Stoll, Berne, Lokting & Shlachter who have worked on this case have exhibited an unusual degree of skill and diligence, and have had to contend with opposing counsel who also displayed unusual skill and diligence.”

***In Re Melridge, Inc. Securities Litigation***, No. CV 87-1426-FR (D. Ore. April 15, 1996).

From **Judge Marvin Katz** of the U.S. District Court for the Eastern District of Pennsylvania:

“[T]he co-lead attorneys have extensive experience in large class actions, experience that has enabled this case to proceed efficiently and professionally even under short deadlines and the pressure of handling thousands of documents in a large multi-district action... These counsel have also acted vigorously in their clients’ interests...”

\* \* \*

“The management of the case was also of extremely high quality.... [C]lass counsel is of high caliber and has extensive experience in similar class action litigation.... The submissions were of consistently high quality, and class counsel has been notably diligent in preparing filings in a timely manner even when under tight deadlines.”

Commenting on class counsel, where the firm served as both co-lead and liaison counsel in ***In re Ikon Office Solutions, Inc. Securities Litigation***, 194 F.R.D. 166, 177, 195 (E.D. Pa. 2000).

From **Judge William K. Thomas**, Senior District Judge for the United States District Court for the Northern District of Ohio:

“In the proceedings it has presided over, this court has become directly familiar with the specialized, highly competent, and effective quality of the legal services performed by Merrill G. Davidoff, Esq. and Martin I. Twersky, Esq. of Berger Montague....”

\* \* \*

“Examination of the experience-studded biographies of the attorneys primarily involved in this litigation and review of their pioneering prosecution of many class actions in antitrust, securities, toxic tort matters and some defense representation in antitrust and other litigation, this court has no difficulty in approving and adopting the hourly rates fixed by Judge Aldrich.”

Commenting in *In re Revco Securities Litigation*, Case No. 1:89CV0593, Order (N.D. Oh. September 14, 1993).

### **Civil/Human Rights Cases**

From **Deputy Treasury Secretary Stuart E. Eizenstat**:

“We must be frank. It was the American lawyers, through the lawsuits they brought in U.S. courts, who placed the long-forgotten wrongs by German companies during the Nazi era on the international agenda. It was their research and their work which highlighted these old injustices and forced us to confront them. Without question, we would not be here without them.... For this dedication and commitment to the victims, we should always be grateful to these lawyers.”

In his remarks at the July 17, 2000, signing ceremony for the international agreements which established the German Foundation to act as a funding vehicle for the payment of claims to Holocaust survivors.

### **Insurance Litigation**

From **Judge Janet C. Hall**, of the U.S. District Court of the District of Connecticut:

Noting the “very significant risk in pursuing this action” given its uniqueness in that “there was no prior investigation to rely on in establishing the facts or a legal basis for the case....[and] no other prior or even now similar case involving parties like these plaintiffs and a party like these defendants.” Further, “the quality of the representation provided to the plaintiffs ... in this case has been consistently excellent.... [T]he defendant[s] ... mounted throughout the course of the five years the case pended, an extremely vigorous defense.... [B]ut for counsel’s outstanding work in this case and substantial effort over five years, no member of the class would have recovered a penny.... [I]t was an extremely complex and substantial class ... case ... [with an] outstanding result.”

Regarding the work of Berger Montague attorneys Peter R. Kahana and Steven L. Bloch, among other co-class counsel, in *Spencer, et al. v. The Hartford Financial Services Group, Inc., et al.*, in the Order approving the \$72.5 million final settlement of this action, dated September 21, 2010 (No. 3:05-cv-1681, D. Conn.).

### **Customer/Broker Arbitrations**

From **Robert E. Conner**, Public Arbitrator with the National Association of Securities Dealers, Inc.:

“[H]aving participated over the last 17 years in 400 arbitrations and trials in various settings, ... the professionalism and the detail and generally the civility of everyone involved has been not just a cause for commentary at the end of these proceedings but between ourselves [the arbitration panel] during the course of them, and ... the detail and the intellectual rigor that went into the documents was fully reflective of the effort that was made in general. I wanted to make that known to everyone and to express my particular respect and admiration.”

### **Other**

From **Stephen M. Feiler, Ph.D.**, Director of Judicial Education, Supreme Court of Pennsylvania, Administrative Office of Pennsylvania Courts, Mechanicsburg, PA *on behalf of the Common Pleas Court Judges (trial judges) of Pennsylvania*:

“On behalf of the Supreme Court of Pennsylvania and AOPC’s Judicial Education Department, thank you for your extraordinary commitment to the *Dealing with Complexities in Civil Litigation* symposia. We appreciate the considerable time you spent preparing and delivering this important course across the state. It is no surprise to me that the judges rated this among the best programs they have attended in recent years.”

Ms. Savett has helped establish several significant precedents. Among them is the holding (the first ever in a federal appellate court) that municipalities are subject to the anti-fraud provisions of SEC Rule 10b-5 under § 10(b) of the Securities Exchange Act of 1934, and that municipalities that issue bonds are not acting as an arm of the state and therefore are not entitled to immunity from suit in the federal courts under the Eleventh Amendment. *Sonnenfeld v. City and County of Denver*, 100 F.3d 744 (10th Cir. 1996).

In the *U.S. Bioscience* securities class action, a biotechnology case where critical discovery was needed from the federal Food and Drug Administration, the court ruled that the FDA may not automatically assert its administrative privilege to block a subpoena and may be subject to discovery depending on the facts of the case. *In re U.S. Bioscience Secur. Litig.*, 150 F.R.D. 80 (E.D. Pa. 1993).

In the *CIGNA Corp. Securities Litigation*, the Court denied defendants' motion for summary judgment, holding that a plaintiff has a right to recover for losses on shares held at the time of a corrective disclosure and his gains on a stock should not offset his losses in determining legally recoverable damages. *In re CIGNA Corp. Securities Litigation*, 459 F. Supp. 2d 338 (E.D. Pa. 2006).

Additionally, Ms. Savett has become increasingly well-known in the area of consumer litigation, achieving a groundbreaking \$24 million settlement in 2008 in the *Menu Foods* case brought by pet owners against manufacturers of allegedly contaminated pet food. (*In re Pet Food Products Liability Litigation*, MDL Docket No. 1850 (D.N.J. 2007). In the data breach area, she was co-lead counsel in *In re TJX Retail Securities Breach Litigation*, MDL Docket No. 1838 (D.Mass), the first very large data breach case where hackers stole personal information from 45 million consumers. The settlement, which became the template for future data breach cases, consisted of providing identity theft insurance to those whose social security or driver's license numbers were stolen, a cash fund for actual damages and time spent mitigating the situation, and injunctive relief.

In the past decade, she has also actively worked in the False Claims Act arena. She was part of the team that litigated over more than a decade and settled the Average Wholesale Price *qui tam* cases, which collectively settled for more than \$1 billion.

Ms. Savett speaks and writes frequently on securities litigation, consumer class actions and False Claims Act litigation. She has lectured at the University of Pennsylvania Law School, the Wharton School of the University of Pennsylvania and at the Stanford Law School on prosecuting shareholder class actions and on False Claims Act Litigation. She is frequently invited to present and serve as a panelist in American Bar Association, American Law Institute/American Bar Association and Practising Law Institute (PLI) conferences on securities class action litigation and the use of class actions in consumer litigation. She has been a presenter and panelist at PLI's Securities Litigation and Enforcement Institute annually from 1995 to 2010. She has also spoken at major institutional investor and insurance industry conferences, and DRI – the Voice of the Defense Bar. Ms. Savett is widely recognized as a leading litigator and a top female leader in the profession by local and national legal rating organizations.

In 2019, *The Legal Intelligencer* named Ms. Savett a “Distinguished Leader,” and in 2018 she was named to the *Philadelphia Business Journal’s* 2018 Best of the Bar: Philadelphia’s Top Lawyers.

*The Legal Intelligencer* and *Pennsylvania Law Weekly* named her one of the “56 Women Leaders in the Profession” in 2004.

In 2003-2005, 2007-2013, and 2015-2016, Berger Montague was named to the *National Law Journal’s* “Hot List” of 12-20 law firms nationally “who specialize in plaintiffs’ side litigation and have excelled in their achievements.” The Firm is on the *National Law Journal’s* “Hall of Fame,” and Ms. Savett’s achievements were mentioned in many of these awards.

Ms. Savett was named a “Pennsylvania Top 50 Female Super Lawyer” and/or a “Pennsylvania Super Lawyer” from 2004 through 2018 by *Philadelphia Magazine* after an extensive nomination and polling process among Pennsylvania lawyers.

In 2006 and 2007, she was named one of the “500 Leading Litigators” and “500 Leading Plaintiffs’ Litigators” in the United States by *Lawdragon*. In 2008, Ms. Savett was named as one of the “500

Leading Lawyers in America.” Also in 2008, she was named one of 25 “Women of the Year” in Pennsylvania by *The Legal Intelligencer* and *Pennsylvania Law Weekly*, which stated on May 19, 2008 in the *Women in the Profession* in *The Legal Intelligencer* that she “has been a prominent figure nationally in securities class actions for years, and some of her recent cases have only raised her stature.” In June 2008, Ms. Savett was named by *Lawdragon* as one of the “100 Lawyers You Need to Know in Securities Litigation.”

Unquestionably, it is because of Ms. Savett, who for decades has been in the top leadership of the Firm, that the Firm has a remarkably high proportion of women lawyers and shareholders. At this time, 23 of the Firm’s 66 lawyers (34.8%) are women, and 11 of the Firm’s 33 shareholders (33.3%) are women. This percentage of women shareholders far exceeds the 23.4% of representation of women among partners in 45 American cities, and far exceeds the 19.8% of women among partners in Philadelphia law firms, according to the National Association of Law Placement.

Ms. Savett has aggressively sought to hire women, without regard to age or whether they are “right out of law school.” Several of the women who have children are able to continue working at the Firm because Ms. Savett has instituted a policy of flexible work time and fosters an atmosphere of cooperation, teamwork and mutual respect. As a result, the women attorneys stay on and have long and productive careers while still maintaining a balanced life. Ms. Savett has a personal understanding of the challenges and satisfactions that women experience in practicing law while raising a family. Ms. Savett has three children and five grandchildren. One of her daughters and her daughter-in-law are lawyers.

Ms. Savett has taught those around her more than good lawyering. She places great emphasis in her own life on devotion to family, community service and involvement in charitable organizations. She teaches others by her example and her obvious interest in their efforts and achievements.

Ms. Savett is a well-known leader of the Philadelphia legal, business, cultural and Jewish community. She is an exemplary citizen who spends endless hours of her after-work time helping others in the community.

From 2011 – 2014, Ms. Savett served as President and Board Chair of the Jewish Federation of Greater Philadelphia (JFGP), a community of over 215,000 Jewish people. She is only the third woman to serve as the President, the top lay leader of the Federation, in the 117 years of its existence.

Ms. Savett also serves on the Board of the National Liberty Museum, The National Museum of American Jewish History, and the local and national boards of American Associates of Ben Gurion University of the Negev. She had as Chairperson of the Southeastern Pennsylvania State of Israel Bonds Campaign and has served as a member of the National Cabinet of State of Israel Bonds. In 2005, Ms. Savett received The Spirit of Jerusalem Medallion, the State of Israel Bonds’ highest honor.

Ms. Savett has used her positions of leadership in the community to identify and help promote women as volunteer leaders. Ms. Savett has selected a few worthy causes to which she tirelessly dedicates herself. According to leaders of The Jewish Federation of Greater Philadelphia, Ms. Savett is viewed by many woman in the philanthropic world as a role model.

Ms. Savett earned her J.D. from the University of Pennsylvania Law School and a B.A. *summa cum laude* from the University of Pennsylvania. She is a member of Phi Beta Kappa.

Davidoff is Chairman *Emeritus* and a Managing Shareholder, in addition to his continuing work as Co-Chairman of the Antitrust Department with Mr. Montague and Chairman of the Environmental Group. Mr. Davidoff has litigated and tried a wide range of antitrust, commodities, securities and environmental class actions.

In *In re Currency Conversion Fee Antitrust Litigation*, MDL No. 1409, Mr. Davidoff was co-lead counsel in class actions that resulted in settlements of \$386 million.

In a long-running environmental class action on behalf of property owners whose land was contaminated by plutonium from a neighboring nuclear weapons facility (Rocky Flats near Denver, Colorado), Mr. Davidoff served as lead counsel and lead trial counsel in a 2005-2006 trial that resulted in a \$554 million jury verdict, third largest of 2006. In 2009 the Rocky Flats trial team, led by Mr. Davidoff, received the prestigious Public Justice Award for "Trial Lawyer of the Year." A 2010 decision by the 10th Circuit Court of Appeals reversed the judgment that had been won in the district court, but Berger Montague persevered and sought entry of judgment under alternative state law grounds. After losing this battle in the district court, plaintiffs appealed to the 10th Circuit again, and, after an appeal argued by Mr. Davidoff, the Court of Appeals (by then-judge, now Justice, Neil Gorsuch) reversed and held that plaintiffs could proceed on state law nuisance grounds. Just before competing petitions for certiorari were to be decided by the Supreme Court, a settlement of \$375 million was announced in May 2016. The settlement received final approval on April 28, 2017.

Mr. Davidoff also concentrates his practice in representation for commodities futures and options traders as well as derivatives matters. He was co-lead counsel for the customer class in *In re MF Global Holdings Limited Investment Litigation*, which settled for well over a billion dollars and resulted in the recovery and return of 100% of lost customer funds after MF Global's October 31, 2011 collapse.

Mr. Davidoff has represented diverse clients, including many companies, sports organizations, trading firms and governmental entities. In the *Qwest* securities litigation, Mr. Davidoff represented New Jersey, securing a \$45 million "opt-out" settlement, and also represented New Jersey in "opt-out" litigation against the former public accounting firm for Lehman Brothers Inc.

Mr. Davidoff served as co-lead and trial counsel for a plaintiff class in the first mass tort class action trial in a federal court which resulted in a precedent-setting settlement for class members, *In re Louisville Explosions Litigation*. In the Canadian Radio-Television and Telecommunications Commission ("CRTC") Decisions (Challenge Communications, Ltd. v. Bell Canada), Mr. Davidoff was lead counsel for Applicant (plaintiff) in three evidentiary hearings before the CRTC. The hearings resulted in the first precedent-breaking Bell Canada's monopoly over the telecommunications equipment which was connected to its telephone network. He was lead counsel in the *Revco Securities Litigation*, an innovative "junk bond" class action, which settled for \$36 million. Mr. Davidoff was lead plaintiffs' counsel and lead trial counsel in *In re Melridge Securities Litigation* tried to jury verdicts for \$88 million (securities fraud) and \$240 million (RICO). He was co-lead counsel for the class in *In re Graphite Electrodes Antitrust Litigation*, an international price-fixing case which yielded settlements ranging from 18% to 32% of the plaintiffs' and class' purchases from the defendants (aggregate settlements totaled \$134 million). He was one of co-lead counsel in the *Ikon Securities Litigation*, in which a settlement of \$111 million was obtained. He was co-lead counsel and designated lead trial counsel in the *In Re Sunbeam Securities Litigation*, where settlements of \$142 million were reached. One of his areas of concentration is representation in commodities futures and options matters, and expertise in derivatives. He has represented market-makers on the Philadelphia Stock Exchange, where he owned a member firm in the 1990s, as well as broker-dealers and market-makers on other exchanges.

He is a member of the Pennsylvania and Delaware Bars. Since joining the Firm in 1982, following litigation and corporate experience in Wilmington, Delaware, and Philadelphia, he has concentrated on complex class litigation, including cases on behalf of securities purchasers, shareholders, trust beneficiaries, and retirement plan participants and beneficiaries.

Mr. Collins has served as lead counsel or co-lead counsel in numerous cases that have achieved significant benefits on behalf of the Class. These cases include: *In re AMF Bowling Securities Litigation* (S.D.N.Y.) (\$20 million recovery, principally against investment banks, where defendants asserted that Class suffered no damages); *In re Aero Systems, Inc. Securities Litigation* (S.D. Fla.) (settlement equal to 90 percent or more of Class members' estimated damages); *Price v. Wilmington Trust Co.* (Del. Ch.) (in litigation against bank trustee for breach of fiduciary duty, settlement equal to 70% of the losses of the Class of trust beneficiaries); *In re Telematics International, Inc. Securities Litigation* (S.D. Fla.) (settlements achieved, after extensive litigation, following 11th Circuit reversal of dismissal below); *In re Ex-Cell-O Securities Litigation* (E.D. Mich.); *In re Sequoia Systems, Inc.* (D. Mass.); *In re Sapiens International, Inc. Securities Litigation* (S.D.N.Y.); *In re Datastream Securities Litigation* (D.S.C.); *Copland v. Tolson* (Pa. Common Pleas) (on eve of trial, in case against corporate principals for breach of fiduciary duty, settlement reached that represented 65% or more of claimants' losses, with settlement funded entirely from individual defendants' personal funds); and *In re IKON Office Solutions, Inc. Securities Litigation* (E.D. Pa.). In *IKON*, where Mr. Collins was co-lead counsel as well as the chief spokesman for plaintiffs and the Class before the Court, plaintiffs' counsel created a fund of \$111 million for the benefit of the Class.

In addition, Mr. Collins has served as lead or co-lead counsel in several of the leading cases asserting the ERISA rights of 401(k) plan participants. Mr. Collins has served as co-lead counsel in *In re Lucent Technologies, Inc. ERISA Litigation* (D.N.J.); *In re Nortel Networks Corp. ERISA Litigation* (M.D. Tenn.); *In re SPX Corporation ERISA Litigation* (W.D. N.C.); and *King v. Wal-Mart Stores, Inc.* (D. Nev.). In *Lucent*, Mr. Collins and his team achieved a settlement consisting of \$69 million for the benefit of plan participants, as well as substantial injunctive relief with respect to the operation of the 401(k) plans.

Mr. Collins is at the forefront of litigation designed to achieve meaningful corporate governance reform. Recently, he brought to a successful conclusion two landmark cases in which corporate therapeutics are at the core of the relief obtained. In *Oorbeek v. FPL Group, Inc.* (S.D. Fla.), a corporate derivative action brought on behalf of the shareholders of FPL Group, plaintiffs challenged excessive "change of control" payments made to top executives. In the settlement, plaintiffs recovered not only a substantial cash amount but also a range of improvements in FPL's corporate governance structure intended to promote the independence of the outside directors.

Similarly, in *Ashworth Securities Litigation* (S.D. Cal.), a Section 10(b) fraud case, in which Mr. Collins was co-lead counsel, plaintiffs again have been successful in recovering millions of dollars and also securing important governance changes. In this case, the changes focused on strengthening the accounting function and improving revenue recognition practices.

In corporate acquisition cases, Mr. Collins has served as co-lead counsel in cases such as *In re Portec Rail Products, Inc. Shareholders Litig.* (C.P. Allegheny County, Pennsylvania) (tender offer enjoined), *Silberman v. USANA Health Sciences, Inc. et al.* (D. Utah) (offer enjoined on plaintiffs' motion).

(alleging the Ultimate Fighting Championship (“UFC”) obtained illegal monopoly power of the market for Mixed Martial Arts promotions and suppressed the compensation of MMA fighters).

Mr. Dell'Angelo is responsible for winning numerous significant settlements for his clients and class members. Most recently, as co-lead counsel, Mr. Dell'Angelo recently helped to reach settlements totaling more than \$190 million in the multidistrict litigation *In re Domestic Drywall Antitrust Litig.*, No. 13-md-2437 (E.D. Pa.). There, in granting final approval to the last settlement, the court observed about Mr. Dell'Angelo and his colleagues that “Plaintiffs’ counsel are experienced antitrust lawyers who have been working in this field of law for many years and have brought with them a sophisticated and highly professional approach to gathering persuasive evidence on the topic of price-fixing.” *In re Domestic Drywall Antitrust Litig.*, No. 13-md-2437, 2018 WL 3439454, at \*18 (E.D. Pa. July 17, 2018). “[I]t bears repeating,” the court emphasized, “that the result attained is directly attributable to having highly skilled and experienced lawyers represent the class in these cases.” *Id.*

Mr. Dell'Angelo also serves as co-lead counsel or class counsel in numerous cases alleging price-fixing or other wrongdoing affecting a variety of financial instruments, including *In re Commodity Exchange, Inc., Gold Futures and Options Trading Litig.*, 1:14-MD-2548-VEC (S.D.N.Y.); *In re Platinum and Palladium Antitrust Litig.*, No. 14-cv-09391-GHW (S.D.N.Y.); *Contant, et al. v. Antitrust Litig.*, No. 14-md-2573 (S.D.N.Y.).

*The National Law Journal* recently featured Mr. Dell'Angelo in its profile of Berger Montague for a special annual report entitled “Plaintiffs’ Hot List.” *The National Law Journal’s* Hot List identifies the top plaintiff practices in the country. The Hot List profile focused on Mr. Dell'Angelo’s role in the MF Global litigation (*In re MF Global Holding Ltd. Inv. Litig.*, No. 12-MD-2338-VM (S.D.N.Y.)).

In *MF Global*, Mr. Dell'Angelo represented former commodity account holders seeking to recover approximately \$1.6 billion of secured customer funds after the highly publicized collapse of MF Global, a major commodities brokerage. At the outset of this high-risk litigation, the odds appeared grim: MF Global had declared bankruptcy, leaving the corporate officers, a bank, and a commodity exchange as the only prospect for the recovery of class's misappropriated funds. Nonetheless, four years later, a result few would have believed possible was achieved. Through a series of settlements, the former commodity account holders recovered more than 100 percent of their missing funds, totaling over \$1.6 billion.

Mr. Dell'Angelo has been recognized consistently as a Pennsylvania Super Lawyer, a distinction conferred upon him annually since 2007. He is regularly invited to speak at Continuing Legal Education (CLE) and other seminars and conferences, both locally and abroad. The jury verdict was then the largest in Colorado history, and was the first time a jury has awarded damages to property owners living near one of the nation's nuclear weapons sites. **Lawrence J. Lederer – Shareholder**

Lawrence J. Lederer is a Shareholder in the Firm's Securities and Commercial Litigation practice groups. He has extensive experience representing and advising institutional investors in securities litigation. He has led the prosecution of many securities class action cases that have resulted in substantial recoveries for investors.

For example, he was co-lead counsel for the State Teachers Retirement System of Ohio which, in August 2009, obtained \$475 million in *In re Merrill Lynch & Co., Inc. Securities, Derivative and ERISA Litigation*, Master File No. 07-cv-9633 (JSR) (DFE) (S.D.N.Y.). This securities class action involved Merrill Lynch's financial exposures to collateralized debt obligations and other financial instruments linked to subprime mortgages. It represents one of the largest recoveries ever under the Private Securities Litigation Reform Act. During a hearing on July 27, 2009, Judge Jed S. Rakoff stated that the lead plaintiff had made "very full and well-crafted" and "excellent submissions"; that there was a "very fine job done by plaintiffs' counsel in this case"; and that the attorney fees requested were "eminently reasonable" and "appropriately modest."

Mr. Lederer presently is, or recently was, also involved in many individual "opt-out" securities cases such as *Commonwealth of Pennsylvania Public School Employees' Ret. Sys. v. Citigroup, Inc.*, No. 11-2583, 2011 U.S. Dist. LEXIS 55829 (E.D. Pa. May 20, 2011); *State of New Jersey, Department of Treasury, Division of Investment v. Fuld*, 604 F.3d 816 (3d Cir. 2010); *Commonwealth of Pennsylvania Public School Employees' Ret. Sys. v. Time Warner Inc.*, Case No. 002103, July Term 2003 (Pa. Common Pleas Ct., Phila. Cty.); *In re Waste Management, Inc. Securities Litigation*, 194 F. Supp. 2d 590 (S.D. Tex. 2002); and *Kelly v. McKesson HBOC, Inc.*, C.A. No. 99C-09-265 WCC, 2002 Del. Super. LEXIS 39 (Del. Super. Jan.

17, 2002). The investor plaintiffs in each of these cases obtained recoveries significantly larger than what they would have obtained from the related class actions.

Mr. Lederer also advises and represents government entities in commercial and other matters. For example, he was part of a team of outside counsel for one state Attorney General's office in multi-state civil enforcement proceedings that resulted in landmark mortgage modifications and related relief for hundreds of thousands of borrowers nationwide against Countrywide Financial Corp. (and its parent, Bank of America Corp.) in December 2008 valued at approximately \$8.6 billion; has advised public pension funds on a wide array of corporate governance and shareholder rights issues; and has advised state government entities concerning financial practices in the structured finance sector, among other areas.

Earlier in his career, Mr. Lederer played a major role in the historic Drexel/Milken/Boesky complex of cases. See, e.g., *In re Michael R. Milken and Associates Securities Litigation*, MDL Dkt. No. 924, Master File No. M21-62 (MP), 1993 U.S. Dist. LEXIS 14242, 1993 WL 413673 (S.D.N.Y. Oct. 7, 1993) (approving approximately \$1.3 billion overall settlement with Michael R. Milken and some 500 other persons and entities); *In re Drexel Burnham Lambert Group Inc.*, 995 F.2d 1138 (2d Cir. 1993) (affirming \$1.3 billion settlement); *Presidential Life Insurance Co. v. Milken, et al.*, 946 F. Supp. 267 (S.D.N.Y. 1996) (approving \$50 million settlement against some 500 defendants); *In re Ivan F. Boesky Securities Litigation*, 948 F.2d 1358 (2d Cir. 1991) (affirming approval of settlements totaling approximately \$29 million; subsequent class, derivative, and other settlements approved totaling in excess of \$200 million).

Also experienced on the defense side, Mr. Lederer helped obtain a pre-trial dismissal of a securities class action against DRDGold, a gold mining company based in South Africa. See *In re DRDGold Ltd. Securities Litigation*, 05-cv-5542 (VM), 2007 U.S. Dist. LEXIS 7180 (S.D.N.Y. Jan. 31, 2007). He also helped defend an individual charged with "insider trading" in a criminal jury trial in federal court, and in parallel civil enforcement proceedings brought by the SEC. *United States v. Pileggi*, No. 97-cr-612-2, 1998 U.S. Dist. LEXIS 8068 (E.D. Pa. June 3, 1998), *aff'd*, No. 98-1811, 1999 U.S. App. LEXIS 18592 (3d Cir. July 22, 1999).

In bankruptcy litigation, Mr. Lederer helped obtain hundreds of millions of dollars for investors in the complex Chapter 11 proceedings involving Drexel Burnham Lambert, including through appeals before the United States Court of Appeals for the Second Circuit and the United States Supreme Court. See, e.g., *In re The Drexel Burnham Lambert Group, Inc.*, 130 B.R. 910 (Bankr. & S.D.N.Y. Aug. 20, 1991), *aff'd*, 960 F.2d 285 (2d Cir. 1992), *cert. denied*, 506 U.S. 1088 (1993). See also *Sapir, et al. v. Delphi Ventures, et al.*, No. 99-cv-8086-JORDAN (S.D. Fla.) (recovery of \$3.8 million following extensive bankruptcy and related proceedings).

Mr. Lederer has achieved the highest peer-review rating, "AV," in Martindale-Hubbell for legal abilities and ethical standards; has repeatedly been selected as one of Pennsylvania's "Super Lawyers" in the category of securities litigation, and has served on the editorial advisory board of *Securities Law360*. Mr. Lederer is admitted to practice law in Pennsylvania, the District of Columbia, and several federal courts. Mr. Lederer graduated from Georgetown University Law

Center (LL.M. 1988), Western New England College School of Law (J.D. 1987), where he was a member of Western New England Law Review, and the University of Pittsburgh (B.A. 1984), where he was managing editor of The Pitt News, and co-captain (1983) and captain (1984) of the men's varsity tennis team.
